Wednesday – May 15, 2019

Evaluator: Tracy Parciak (AKC Licensed Judge)
(Non AKC Sanctioned / Norwegian Elkhounds only)

For the first time, the Norwegian Elkhound Association of America, Inc. will sponsor a noncompetitive herding instinct test to offer interested breed owners a standardized gauge by which to measure a Norwegian Elkhound's basic herding instinct and trainability.

Dogs need no training beforehand to participate; dogs younger than 6 months of age are not eligible for testing. Bitches in season may participate but will be tested last. Judging will take place outdoors in the Round Pen at the Purina Farms Herding and Trial Field. All dogs **MUST** be kept on leash or crated at all times.

Entry fee \$20 per run; test limited to 40 runs; no day of test entry. Use the official entry form and mail with fees to the Show Secretary noted on the entry form. Entries close Wednesday, April 24, 2019.

Non AKC sanctioned, this test will not apply towards an AKC Herding Instinct Test Qualifying Certificate. The NEAA will offer a certificate to all Norwegian Elkhounds that receive a "pass" on the test evaluation. For additional information, contact the Herding Instinct Test Chairperson, Tracy Lorraine Smith, at traine13@comcast.net.

BEST OF THE BEST CONTEST **Guidelines and Rules**

INTRODUCTION

The NEAA Best of the Best Contest shall be held during the off-year NEAA Cavalcade of Events. Any dog winning Best of Breed at a specialty show, designated as a specialty club or parent club regional specialty or a national specialty, will be eligible to participate. Two (2) judges will officiate at the NEAA Best of the Best Contest. Eligible dogs participating in the Contest are not required to be entered in a show's regular classes.

ELIGIBILITY

Each specialty Best of Breed winner shall be invited to attend two (2) contests with the eligibility period determined as the four (4) calendar years, defined as January 1st through December 31st, prior to the date of the Contest. Invitation replies from eligible dogs attending must be received by the Contest chairperson two (2) months prior to the Contest. The chairperson of the NEAA Best of the Best Contest shall maintain a current list of specialty show Best of Breed winners.

For any specialty club that does not have an eligible dog accepting the invitation, their corresponding secretary will be notified by email. The specialty club shall have one (1) month from that time to choose another Best of Breed winner. The specialty club may submit the name of any other dog that has been a Best of Breed winner at their specialty in other years that will accept and attend the Contest. It shall be up to each regional specialty club to decide how to determine which of their other past winners will be asked. If no substitute name is submitted, that club shall not be represented at the competition.

If an eligible dog has been the Best of Breed winner at more than one specialty show, and its participation in the Contest is confirmed, other specialty club(s) at which the eligible dog was a Best of Breed winner shall not be allowed to name an alternate Best of Breed winner as a Contest participant.

JUDGE NOMINATION

The NEAA Show Committee shall propose a slate of two (2) to five (5) judge nominees, each contacted first and willing to judge. Individuals being considered for nomination as a Contest judge do not have to be a licensed Norwegian Elkhound judge but must be in good standing with the NEAA and the American Kennel Club (AKC), or (if applicable) the kennel club of their country of origin. The acknowledged winner and declared NEAA Futurity/Maturity Judge shall act as the other Contest judge.

VOTING BALLOT

Each Regional Specialty shall have one (1) vote to cast for a judge. The judge nominee who receives the majority votes will be contacted first. If for some reason that judge nominee cannot judge, then the next judge nominee receiving the most votes shall be contacted and so on down the list.

JUDGING PROCEDURES

HANDLERS' BRIEFING

- A handlers briefing shall be conducted by the Contest chairperson one (1) hour prior to the start of the Contest to review judging procedures.
- The Contest chairperson shall select and number each Group of participants — two (2) participants per Group, and assure each Group is prepared to enter the show ring. The number of Groups will vary according to the number of participants.
- All handlers and dogs (herein referred to as “participants”) in the Contest shall enter the show ring to allow both Contest judges and the audience to observe all the dogs assembled.
- All dogs shall be presented stacked or free stacked, gaited around the show ring as one assemblage, and then temporarily dismissed from the show ring until the judging of Groups.

JUDGING OF GROUPS

- Each judge shall be assigned to one of two (2) judging stations.
- Initially, the first dog in each Group shall be assigned to the judge at Station #1; second dog in each Group shall be assigned to the judge at Station #2.
- The Narrator shall announce for the audience the format for judging of the Groups.
- The first Group of two (2) participants shall enter the show ring and present the dogs stacked or free stacked in front of the two (2) Contest judges to begin the scoring for the Average Placement Score.
- To determine the Average Placement Score, the Contest score sheet for a dog from each of the two (2) judges is tabulated, the total score from the two (2) score sheets are added together, and that sum is divided by two (2).
- Each group of two (2) participants enters the ring one at a time, stopping first in front of the two (2) judges (who are assembled at the end of a diagonal mat) for ‘average placement’ scoring. Handler and dog move down and back twice, circle the ring one full time and continue until they reach their designated station (first dog to Station #1; second dog to Station #2) for scoring by the appropriate judge. Both judges shall score each dog’s gait as the dog reaches their designated station. After individual scoring has been completed by each judge, the participants shall rotate to the opposite station until both dogs have been scored by each judge.
- After the first Group is scored and dismissed from the show ring, the second Group shall enter the show ring to follow the same procedures. After the second Group is scored, the third Group shall enter the show ring to follow the same procedures and so on until all participants have been scored by both judges.
- Contest score sheets completed by the judges shall be given to the Show Chairperson for tabulation.

CONTEST SCORE SHEET

- The Contest Score Sheet, to be completed in detail by each judge, shall be sourced from the *Official Standard of the Norwegian Elkhound* (© 1989 AKC) as well as the *Interpretive Comments on the Norwegian Elkhound and the Standard* (© 1989 NEAA).
- Examination scoring shall be:

Head - 15 points	Forequarters/Hindquarters	- 15 points	Temperament	- 10 points
Body - 25 points	Gait	- 20 points		
Tail - 05 points	Coat and Color	- 10 points	Total	- 100 points

TABULATION OF SCORES

- Once all the Contest score sheets have been tabulated to determine the Contest Winner, the narrator shall announce for the audience each participant.

AGILITY HIGH IN TRIAL AWARD

Guidelines and Rules

All Norwegian Elkhounds competing in the Standard agility classes, including all jump heights, shall be eligible for the NEAA Agility High In Trial Award. The award shall be based on the qualifying course run results from only the Standard agility classes. A dog must have a Standard class qualifying score to be eligible for the NEAA Agility High In Trial Award.

Order of consideration for NEAA Agility High In Trial Award:

1. Dog/handler team(s) with a double qualify* (2Q's)
2. Dog/handler team(s) with a Standard qualifying score of 100
3. Dog/handler team(s) with a Standard qualifying score of less than 100

**Qualifying score at the same trial in both the Standard class and the Jumpers with Weaves class (double Q)*

At the end of the agility trial, first to be considered for NEAA Agility High In Trial shall be a dog/handler team(s) with a double qualify. A dog with a Double Q shall be weighted more than a dog with a single Standard qualifying score. If none, a dog/handler team(s) with a perfect Standard qualifying score of 100 shall be considered next. If none, a dog/handler team(s) with a Standard qualifying score of less than 100 shall be considered. Qualifying scores for AKC Standard and Jumpers With Weaves agility classes: Novice A&B, Open, and Excellent – 100 to 85 minimum; Masters – 100 minimum.

Within each Standard agility class, bonus points shall be awarded based on the level of difficulty. In all team situations, the resulting highest score wins NEAA Agility High In Trial.

Level of Difficulty Bonus Points:

- 30 points – Master/Excellent Qualifying Score
- 25 points – Master/Excellent Preferred Qualifying Score
- 20 points – Open Qualifying Score
- 15 points – Open Preferred Qualifying Score
- 10 points – Novice Qualifying Score
- 05 points – Novice Preferred Qualifying Score

A scoring record for the NEAA Agility High In Trial Award shall be kept at the trial indicating the armband number of each competing dog, the dog's call name, Standard class level, Standard course time in seconds (SCT), actual Standard course running time in seconds (rounded down) for each competing dog, qualifying score in a Standard class, notation if a double Q was earned by a competing dog, and the final calculated score for NEAA Agility High In Trial. For example, if the SCT is 65 seconds and a dog runs the Standard course in 60.3 seconds, the difference would round down to 5 seconds.

Scoring Record Shall Include:

- Armband Number
- Call Name of Dog
- Standard Class Level
- Bonus Points
- Standard Course Time
- Actual Time
- Qualifying Standard Score
- Double Qualify (2Q's)
- Calculated Score for HIT

The score calculation for the NEAA Agility High In Trial Award shall be done for all competing dogs using qualifying scores in all of the agility classes and jump heights. To calculate the score, add the dog's Standard qualifying score, the difference in the Standard course time and a dog's actual Standard course running time, and the level of difficulty bonus points.

Agility classes will run indoors on artificial turf; electronic timing and rubberized contacts will be used. Agility entries **OPEN** at 8:00 am CST, Monday, March 11, 2019. Agility entries **CLOSE** at 6:00 pm CDT, Wednesday, April 24, 2019, at the Trial Secretary's office.

Jump Height Card

Owners are responsible for entering their dog in the proper jump height class. All dogs participating in these trials must have an AKC Jump Height Card, or check the box on the entry form to place your dog on the Measuring List prior to running. It is the owner's responsibility to have a dog measured prior to running. Failure to do so will result in the cancellation of any qualifying score or award. The Judge of Record officiating at these trials is an AKC Volunteering Measuring Official (VMO) and will be in attendance to measure for an official AKC Jump Height Card.

Change of Entry

As described in Chapter 1, Section 21 of the *AKC Regulations for Agility Trials*, a dog entered in a Novice A class, for which it is not eligible, may be moved to Novice B. In addition, if after closing AKC notification is received in writing that a dog is not eligible for a class as entered, the dog may be moved to the correct class. The request for a change of entry **MUST** be made at least 30 minutes prior to the start of the agility trial. If at an agility trial a VMO or Field Representative measures a dog into a height other than as entered, the entry may be changed from Regular to Preferred or vice versa as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). When requesting such a change of entry, an exhibitor must provide the Trial Secretary with the AKC Agility Measurement Form.

Ineligibility To Compete

Blind dogs, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are not eligible to compete. These agility trials are open to dogs 15 months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration or Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP).

Move-up Request

As per AKC regulations, a dog may move-up to the next level of competition as a result of earning an agility title after the closing date of these trials. A day-to-day move-up request, allowed for only dogs entered in these back-to-back agility trials, MUST be delivered in writing to the Trial Secretary no later than 15 minutes after the last run in the first trial. A move-up request MUST be made in writing by postal mail or by email, providing the dog's name, owner's name, original class entered as well as new class requested, and accepted by the Trial Secretary, no later than 6:00 pm CDT on Tuesday, May 07, 2019; NO telephone or verbal requests will be accepted.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
